

# Help Clean up the world

~~You~~ You should try not to have too many plastic bags,  
buy some coles reusable ones instead.

Instead of buying plastic bottles pack your own.

Please don't use plastic cups, knives, forks, spoons, and plates.

Instead pack your own.

If you have a broken bike instead of chucking it out  
fix it up.

If stuff doesn't fit you give it to charity.

If you see rubbish on the ground pick it up and put  
it in the bin.

Please recycle plastic and stuff like that.

If you have chickens and dogs your chickens could  
eat the scraps and make an egg. And your dog  
could eat the scraps that fall on the ground.
