Litter Rap

Hey, all you dudes out there!
Why aren't you more aware?
We are Year 7KL,
And we have a story to tell.

Our creeks and rivers are full of litter,
Now that's something we must consider.
Turtles and fish are choking on plastic,
While pelicans and gulls eat elastic.

CHORUS

So get down, look around,
See what you can do,
Before our world goes down the loo.

Just put your rubbish in the bin,
If everyone did it we'd have a win!
Our cities and towns would be clean,
Think about it - don't be mean!

CHORUS

So get down, look around,
See what you can do,
Before our world goes down the loo.

Tell your friends on Twitter,
Let's all say NO to litter!
It's not hard to use a bin,
All you've got to do is put it in!

CHORUS

So get down, look around,
See what you can do,
Before our world goes down the loo.
